### Description

Raven, fine lead free Serving Set, Sculpted Horn carving on handle, etched back, Made in Canada

The intricately carved and detailed sculpture adorning the handle of this highly polished Pewter spoon is Raven, Frog and Wasgo. The back of the spoon features an intricate etching of Dogfish. Used singly or combined into a service set these ladles will add distinction to your next table setting. Pewter does not tarnish like silver. Wash by hand with mild soap and water. Never place in dishwasher as the detergents are too corrosive for this fine metal.
