Description

Raven Stealing the Moon. Original Painting by Thompson River artist Carl Stromquist.

Carl is self-taught and focused. Deliberate in his design process with excellent attention to detail. He has spent much time studying the works of renowned Native artisans as well as the timeless truths embodied in the elders' stories and legends. From this journey for truth has come his desire to portray the balance and harmony that exists in the Circle of Life. Carl's art is influenced by his profound love and respect for nature.

Being self-taught, Carl has spent much time studying the works of renowned Native artisans as well as the timeless truths embodied in the elders' stories and legends. From this journey for truth has come his desire to portray the balance and harmony that exists in the Circle of Life. Carl's art is influenced by his profound love and respect for nature.
