Description

Ravens with Autumn Sun. Original Painting by Thompson River artist Carl Stromquist.

Carl is diligent and focused. Diligence in his desire to paint with excellence is his quest to earn visions that will generate artwork which honors his Creator and honors himself, both in the form of the Creator and in the form of the artist.

Being Self taught, Carl has spent much time studying the works of renowned Native artisans as well as the timeless truths embodied in the elders' stories and legends. From this journey for truth has come his desire to portray the balance and harmony that exists in the Circle of Life. Carl's art is influenced by his profound love and respect for nature.
